Party plan for 20 people

Two boards, or two stations on one table.

TIMELINE

- ☐ **1 week before**
- Order large pieces from the deli or warehouse store, and borrow extra boards or platters.
- ☐ **2 days before**
- Buy the cheese, meat and fruit. Buy crackers and nuts too.
- ☐ **The night before**
- Cut the firm cheeses and portion everything into containers, one set per station and one set for the refill. Cover and chill.
- ☐ **1 hour before**
- Take the cheese out so it can warm up. Soft cheese takes the full hour.
- ☐ **30–45 minutes before**
- Build the stations: cheese first, then meat, then bowls, crackers and fruit.
- ☐ **While it's out**
- Swap in the fresh, fridge-cold refill before any tray has been out 2 hours.

SETUP

Two boards, or two stations on one table. Split the food into identical stations so guests don't queue at one end.
