Party plan for 200 people

A grazing table in four stations, refilled from the fridge.

TIMELINE

- [ ] **1 week before** — Order large pieces from the deli or warehouse store, and borrow extra boards or platters.
- [ ] **2 days before** — Buy the cheese, meat and fruit. Buy crackers and nuts too.
- [ ] **The night before** — Cut the firm cheeses and portion everything into containers, one set per station and one set for the refill. Cover and chill.
- [ ] **1 hour before** — Take the aged and firm cheeses out so they can warm up. Leave soft cheese like brie in the fridge for now.
- [ ] **30–45 minutes before** — Take out soft cheese like brie (it needs only 20–30 minutes), then build the stations: cheese first, then meat, then bowls, crackers and fruit.
- [ ] **While it's out** — Swap in the fresh, fridge-cold refill before any tray has been out 2 hours.

SETUP

A grazing table in four stations, refilled from the fridge. Split the food into identical stations so guests don't queue at one end.
